

Refrigerated Case LED Light Fixture

Model RCLF-60-3500

12/1/10

When quality and efficiency matter, AEC is the clear choice!

Features

- High efficiency **CREE** LEDs– *less than 20 Watts per door*
- Precision optics- *uniform light distribution*
- **Field adjustable** to accommodate variable shelf setbacks
- Low profile design – easy installation
- Maintenance free
- No hazardous materials
- Solid state power supply- one per case
- NSF and Efficiency Maine and Vermont approved

Low profile design with high output LEDs and advanced optics aims the light at the product behind the display case doors and floods the display case with even illumination. Only one power supply for up to 5 doors. Payback is less than 2.5 years! Custom configurations on request.
